

God's Little Angels

Newsletter: June 2021

**“For there is one God, and there is one mediator between God and men, the man Christ Jesus.”
(1 Timothy 2:5)**

The greatest commandment of Lord Jesus is to love your neighbor. We must teach and follow this as a way of life. We provide real life experience to children to love one another. Love does no harm to its neighbor. Therefore love is the fulfillment of the law. Romans 13:10. God's Little Angels team always had a rich and Blissful time with children. In this hot summer children regularly attended Sunday schools and also participated in outreach events. We want children to feel they are precious members of Lord's family. Once again we thanked Our Heavenly Father for all the blessings He had showered upon us, our children, and teachers, during the events took place in the month of June.

Oh, give thanks to the Lord, for He is good. Psalm 118:1

Outreach Event:

Stay Strong and Have Faith in Lord Jesus our Savior

**“Train up a child in the way he should go; even when he is old, he will not depart from it.”
(Proverbs 22:6)**

We thanked God for the wonderful miracles in our lives and Glory to God most high for His presence during worship at Gujranwala. The outreach worship was conducted in two large villages at Gujranwala vicinity where approximately more than 2000 children attended. We began our worship with a circle time of singing, praying, and sharing God's word.

Sunday school children participated actively and enthusiastically in the worship. This was a blessed occasion where many children glorified Lord God with their talents. The Bible message proclaimed clearly on how the power of Jesus could break every chain that keeps us away from God. Key sermon was on how Jesus Calms the storm on the Sea of Galilee with full authority and power. Calming the storm is one of the miracles of Jesus in the gospels reported in Matthew 8:23-27, Mark 4:35-41, and Luke 8:22-25. This gives a great lesson to teach children that Jesus takes care of us and this helps children grow in their faith. This provides strong belief and assurance that Lord's control over forces that seems out of our control. They find indestructible joy in Lord Jesus Christ.

Fear is our situation but Faith in Lord is the solution

Our teaching is Scriptures centered with specific applications that help them interpret life. The Bible verses taught during worship always remind them of what they have learned for future. All activities encouraged them to journal their memories. They have Lord Jesus as their Mentor.

The verse from Psalm 56: 3, says strongly, “When I am afraid, I put my trust in You.” We adults and children do carry the burden of fear, but when we have faith in Jesus our fears quickly replaced with awe and worship. We must strengthen ourselves in God.

Whenever we are deeply frightened we can replace it with increased faith in God. Faith relies on the Lord by praying, singing and listening to His voice.

Sunday Schools - Bible Distribution

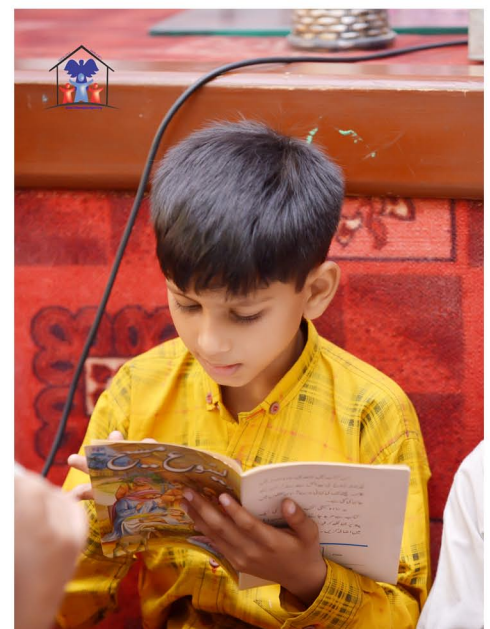

**“Thy Word is a Lamp unto my feet, and a Light unto my path.”
(Psalm 119: 105)**

Children are having quality Bible study in Sunday schools, it promotes their eternal happiness.

Only God's grace can change our hearts and lives. Reading Bible is like communicating with God directly. Children proclaimed joyfully their experiences. They understood the great price that Lord Jesus paid for their salvation; they are more likely to walk on the way of the righteous.

God's Word helps them discover and intervene in different difficult situations of life. They study deeply the life experiences of Prophets, Kings and Queens in the Bible. From history books of Bible they learn their relationship with God Almighty and how God taught them to lead their nations and move forward.

Children's Witnesses

- For us Bible is the richest source of Knowledge, when we read with understanding we are blessed. We are witnessing for Jesus everywhere. We share about His love with school friends and others in neighborhood. We love Jesus because He first loved us.
- Majority children learned by heart the Ten Commandants, Psalm 23, Lord's Prayer, and Beatitudes of Jesus, beside numerous verses from the scriptures.
- God's Word gives us victory over all fear. We sing and praise Him joyfully as Prophet David says, 'In God I will praise his words, in God I have put my trust; I will not fear what flesh can do unto me...
- Prayer helps us to overcome temptations; there is power in prayer and unity. When we praise and worship God gives us strength and uses us to build His Kingdom.
- We seek wise counsel from the Holy Bible.
- We receive useful, beautiful and joyful lessons from Scriptures.

Feeding Program

“If you pour yourself out for hungry and satisfy the desire of the afflicted, then shall your light rise in the darkness and your gloom be as the noonday.” (Isaiah 58:10)

Impacting the life of a child, do more than just change their day. GLA Ministry is constantly looking after children's physical health. Feeding children is one of our essential priorities; we want them to live healthier happy lives. There are so many children who do not know where they will get their next meal. In extreme poverty situation families are striving for work to earn and give good meal to their children. We provide meal boxes directly to children after worship services. We are grateful for our generous partners who are helping us feed poor children in need and we are committed to helping provide more.

Skills Training Program

**“The servant of God may be thoroughly equipped.”
2 Timothy 16-17**

Lack of any vocational skill perpetuates poverty and inequality. On the other hand skills development reduces unemployment and increase income generation opportunities and improves standards of living. GLA is helping women to develop and upgrade their skills at chak 136 a village in South Punjab. Everyone should have the opportunity to earn decent living from their own work.
