God's Little Angels[®]

BECAUSE WE BELIVE IN GIVING

INCREASING CHRIST'S KINGDOM

Holy Bible testifies that it is God's will for parents to train children in the way that they should go. God said to Abraham in the book of **Genesis 18:19** **"I have chosen him in order that he may command his sons and his descendants to obey me and to do what is right and just. If they do, I will do everything for him that I have promised."**

Parents have primary responsibility for training their children in the faith. We must teach and explain how the rights and rituals of worship connected to God's grace in the past. Parents must have a way of life with their children, going to worship with them and teaching and training them. We Christian parents must carry forward the attitude of Lord Jesus Christ who always welcomed little children. God's people who treasured their children to much that they brought them again and again to Jesus feet as they carefully taught them the faith and trained them to worship. The solid foundation of our faith is the living Word of God alone. Lord Jesus Christ is with children everywhere, in every situation.

Outreach Event: Jesus Feeding the multitude:

An out-reach event was organized at Chichawatni on 9 August 2021, where about 1000 children attended the worship meeting. Pastor Shahzaib Zafar in his message shared the miracle of the five loaves and two fish. (Matthew 14:13-21) Jesus and the disciples are on their way to a quiet place to get some rest, but a large crowd followed them.

We see Jesus compassion for people. Jesus was tired, but still he takes time to teach the people and healed them because they were like a sheep without a shepherd. As the evening approached the disciples came to him and said, "This is a remote place, and it's already getting late. Send them the crowd away, so they can go to the villages and buy themselves some food. Jesus replied, 'They do not need to go away. You give them something to eat.'"

Jesus sends the disciples away to find food, they return with two fish and five loaves. Jesus gives thanks for the food, raises it to heaven blesses it and gives it to the disciples to give out. Everyone eats and there is enough left over to fill twelve baskets.

The lesson we learn from this miracle is that Jesus is ultimate, He provides every need of us and He exceeds. When we pray to God in the name of Lord Jesus our all needs are fulfilled. Scripture messages transform and enrich the lives of children.

Sunday Schools Bible Distribution:

As Christian parents we agree that we want our children to be wise, go on a good path always be in a good relationship with God and eager to do good deeds. We always encourage them to be kind and thoughtful. We can only accomplish this when we make them to read the Bible regularly. The Bible is a letter to us from God. Our children are the leaders of future. They look forward to their elders to equip and flourish them. Bible distribution activity is being regularly done in every out-reach event. Children shared that Bible enabled us to know what God wants us to do with what we learned from the Bible. They have gained quality of learning from Holy Scriptures.

Deuteronomy 6:5-7 “Love the Lord your God with all your heart, with all your soul, and with all your strength. 6 Never forget these commands that I am giving you today. 7 Teach them to your children. Repeat them when you are at home and when you are away, when you are resting and when you are working.

Children shared their witnesses about the blessing they received:

1. To read and study Bible is ultimate an invitation to a vibrant, transformative relationship with God.
2. We are thankful that we had our teachers to help us start a regular habit of reading the Bible.
3. God calls us constantly that we would know the will of God for our lives.
4. We invite the Holy Spirit to help us understand what God has to say to us.
5. We are continually developing relationship with Lord Jesus.
6. We find the promises of God and the blessings He showers on His children.
7. In our difficult times Bible is the only hope and reminds us of the goodness of the Father.

Lord God has promised us: Deuteronomy 28:2 “And all these blessings shall come upon you and overtake you, if you obey the voice of the Lord your God.”

Sunday school's Children Fun Activities: Indoor Games that help children grow their faith

In-door games were used to keep children entertained and also to encourage them to pay attention to the Bible lesson. This is helpful to reinforce the teaching concepts, and to help them memorize Bible verses. Creative games for children who love performing was introduced which gave them a positive experience. There is so much talent and faith in our young children. Sunday school games are specially designed to let children move while teaching those more about their faith.

Children Worship a Blissful time:

Children's worshipping with their friends and other children in their own unique way is very blessed. Worship is about responding to God and is about child discipleship. It is very essential because it really is about the connection between God and children. Worship gives children a chance to honor God, and to grow together in their faith in Jesus. This also enables children to know, love and serve the Lord Jesus Christ in their daily life.

Feeding Program:

Jesus calls us to care for children and not send them away as insignificant. Children are valuable; God has committed children into our arms of protection. Matthew 18:10. Lord Jesus said, "See that you don't despise any of these little ones. Their angels in heaven, I tell you, are always in the presence of my Father in heaven. GLA Ministry provides nutritious meals to children at every outreach event. Our priority is to meet nutritional needs of children. This enhanced family coping; socializing and making strong relationships. We provide a direct service to children, supporting children's health.

Thanksgiving Worship: Rejoice, again I say Rejoice

God's Little Angel's Ministry is truly blessed we are grateful for the fact that blessings truly come from Lord God Almighty. When we live with thanksgiving as our attitude God bless us with everything. We praise and sing thanksgiving songs in worship service. Thanksgiving is a celebration of sharing and abundance. Family, gratitude, and thankfulness are the true meaning of thanksgiving. This provides an excellent model for our children as they learn about relationships and family.

Philippians 4: 4-8, "4 May you always be joyful in your union with the Lord. I say it again: rejoice! 5 Show a gentle attitude towards everyone. The Lord is coming soon. 6 Don't worry about anything, but in all your prayers ask God for what you need, always ask with a thankful heart. 7 And God's peace, which is far beyond human understanding, will keep your hearts and minds safe in union with Christ Jesus.
