

God's Little Angels

Because We Believe in Giving

Dear Readers,

Greetings in the Gracious Name of Our Lord Jesus Christ, I feel immense pleasure to share about the program activities implemented by the dedicated team of God's Little Angels in the beginning of New Year. We are grateful to our Lord who has protected us during this crucial time and enabled us to stepped forward in 2021. In this short period, we have accomplished so much by the Grace of Lord God Almighty. Some highlights are mentioned as follows:

- ✚ We had a Blissful time in a Soul Winning Worship held in February 2021.
- ✚ Lord's Grace enabled us to unfold the potentials of children and youth, to bring out the best in them because Lord wants the best from HIS children.
- ✚ Trust and Willingness developed among families to actively participate and cooperate in achieving the Mission of Ministry.

We give thanks and praise to Lord Jehovah for all that he has done in the last year.

Blessings,

OUTREACH

Sharing the Good News of Lord Jesus Christ:

Our living faith is established upon eternal truths; Soul winning worships was held in Main Channu (South Punjab) on 15 February 2021. Similar worships services will be continuing in the forthcoming months.

Good News of God's Kingdom was preached, more than a thousand people attended the worship. The Spirit of Christ was upon them, they Witnessed to Jesus Christ who is "the Way, the Truth, and the Life." We have posted a video of the event on our Facebook page.

Please pray for us as we prepare for three more similar events in forthcoming months, each in different cities of Punjab.

SUNDAY SCHOOLS

Children are a blessing and a gift from the Lord. Psalm 127:3

We give all the praise, honor, and glory to our heavenly Father, Jesus Christ our Lord and Savior, and The Holy Spirit who empowers us and blessed for spiritual growth of Sunday Schools. The secret behind growth is, teachers who are dedicated and committed to the goal for reaching more and more children. Finding teachers and in several cases providing salaries so they can carry on the work.

We are successful in establishing over 50 new Sunday Schools in overall Punjab region. About ten thousand children are enrolled in these Sunday Schools. Children learn in warm and Caring environment which helped them to grow and gain better understanding of Bible. Average attendance in these meetings is above 200 children.

Children learn Word of God, Stories of Prophets, Parables of Jesus, through Bible study, Hymns, and various activities. We need your Prayers support for children, may Lord Bless them and use them for HIS Glory. Amen

FEEDING PROGRAM

Malnutrition among children is common in poor families. Mostly parents do not know exactly what a full and nutritious meal is. In order to intensify health and nutrition among children, cooked meals were distributed in 20 different locations in Punjab.

ORPHANAGE

God's Little Angels Orphans Support Program: Children are the most fragile members of the society, when a child loses his or her parent or both he/she faces so many economic, mental and social issues down the lifetime.

In Lahore 50 children, including adolescents and teenage girls and homeless widows are being looked after by GLA Ministry.

We continue to provide food, clothes, educational support, medical care and religious education to the poor children in Lahore.

SHARING GOSPEL in BRICK YARDS

We have spread Christ's message among the children and workers found in the exceedingly difficult labor of Pakistan's brick yards.

A Blessed Worship at Bick Kiln.

"And it shall come to pass that whoever calls on the name of the Lord shall be saved." Acts 2:21

BIBLES & RELIGIOUS BOOKS DISTRIBUTION "We are witnessing for Jesus"

"So, faith comes from hearing, and hearing through the Word of Christ." Romans 10:17

We reached far and wide for sharing gospel of Christ. Upon the interest and want to learn more about the Lord Jesus Christ we have distributed thousands of Children's Bibles and Christian books to children. These are much treasured, and we are confident each will be read by many.

It is because God has moved their hearts, as many have shared their testimonies about how Lord God has revealed miracles in their lives. They are happy and Blessed.

SEWING SCHOOL

Vocational Skills Training Program:

One of the poverty reduction strategy is to provide technical and vocational skills. Women in communities have less or no opportunities to develop. Lack of education and no skills makes them more vulnerable. They are economically poor and always dependent. Young Christian women in Pakistan seeking to begin working is often subject to terrible abuse by their cruel employers.

God's Little Angels (GLA) has established a sewing school for women seeking to work and provide income generation opportunities for themselves and their family.

Inauguration ceremony of first group of 25 students took place at Stunzabad Chak-135 Khanewal District. This Training Center is a platform life-long learning skills enhancement. GLA sponsored sewing school offers a place for them to learn a valuable trade from a master Christian seamstress. This will give, the economic Independence and they feel empowered, confident and hopeful for future.

ACTION AGAINST HUNGER:

Covid-19 emergency was psychologically tense and created an uncertain situation during previous year and it still carries the fear. Throughout the country Corona pandemic had negative impact, particularly on poor. By God's grace we were able to provide desperately needed food to many people without work and facing starvation.

Our team took immediate response to make certain the provision of basic food supplies to 700 families. During lockdown situation no work, meant no income, this was crucial time for all, particularly for those who worked on daily wages. With lockdown measures intended to address concerns over Covid-19 creating much disruption, we have purchased Flour, Rice, Cooking Oil, Lentils, Soaps, and Face masks for distribution.

Though there was a government relief package but for one time only with a certain time limit. The entire population had no access and poor families are still not economically stable. Therefore, God's Little Angels have identified and approached the most destitute and deprived. By the Grace of Our Lord Jesus we were able to make it possible to reach the unreachable. Families are grateful for this timely support.

Let us pray, the kingdoms of this earth soon become the kingdom of Christ; and Jehovah's righteous will be done on this earth as it is done in heaven.

"Abide In me, and I in you. As the branch cannot bear fruit as itself, unless it abides in the vine, neither can you, unless you abide in me." John 15:4-6

Give vulnerable orphans and widows the Love and Care they need to prosper.

Please remember God's Little Angels Ministry in your Prayers.

"When you give to the poor, it is like lending to the Lord, and the Lord will pay you back."
