

God's Little Angels exists to share the Word of Christ with Love and Care to the children and families of Pakistan.

The third wave of Corona Virus is most horrifying. We pray the Lord keeps you all safe and healthy.

“... If thou wilt diligently hearken to the voice of the Lord thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord That healeth thee.” Exodus 15:26.

Wherever we go, we offer more than help. We offer hope and comfort through sharing the WORD of GOD. We believe in sharing God's Love in practical ways. We want the absolute best for the children of God's Little Angels [GLA].

We encourage the children to place their full trust in Christ. And, to build and order their lives upon the foundation of

Christ's words. This life is most uncertain. But we believe anyone who places their trust in Christ and seeks to obey his commands, builds their life upon a most sure foundation leading to a most joyful future.

Even in this life, we have seen those who trust Christ and seek righteousness act with a sense of purpose and discipline not found in others, becoming respectful and responsible adults.

Train up a child in the way he should go: and when he is old, he will not depart from it. Proverbs 22:6

May God bless and keep you all.

Outreach Event/s of March 2021 at Pasrur District:

In the month of March, GLA was blessed and privileged to share the Word of Christ with the children of Satrah. The theme was "Crucifixion & Resurrection" The Outreach Event went very well. It is our strong desire to see all the children begin seeking Christ and His righteousness. God's favor is required for the prosperity of any community. All labor, knowledge, skill and ability is in vain without it. This was the first ever program that was arranged in this area and 4000 children participated. A successful and prosperous community requires the members to care more for the well being of their neighbors than they do for their own preferences; with all members willfully contributing their labor, knowledge, and talents (as they are able) for the good of all. Only Christ's Holy Spirit abiding in the hearts of the people is able to inspire the necessary love and compassion to bring about this level of co-operation and trust.

Children Bible Distribution

"Bible a meaningful gift"
Sunday schools' activities are shaping our children's lives. They love to read the Bible, and memorize the verses and parables. We wish to introduce them to the person of Christ by teaching of His character and sharing the parables He spoke. The intention of God is that everyone should be able to live in spiritual abundance.

We encourage every child to read the Bible. The Bible reading is edifying to both those who read and those who listen. And their parents appreciate seeing their children learning and gaining confidence.

We have reached many children in the rural vicinities of Punjab province. One of the most important aspects is the distribution of Bibles among the children. The worship meetings are also a place where Christian children come to realize they are not alone in their faith; coming to see there are others with the enthusiasm, desire and will to accept Christ's invitation.

Love and Care for orphans

We greatly treasure the sensation of affirmation from the Holy Spirit within ourselves, knowing we find favor with God, as we choose to serve the needs of these young souls. Loving orphans in the name of Jesus Christ brings joy to our hearts as well as theirs. God's Little Angels continues to serve and support orphans.

'Then the righteous will answer Him, saying, 'Lord, when did we see You hungry and feed You, or thirsty and give You drink? When did we see You a stranger and take You in, or naked and clothe You? Or when did we see You sick, or in prison, and come to You?' And the King will answer and say to them, 'Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me.'

Matthew 25:37-40

Skills Training Center:

GLA has provided a friendly learning environment for young women in Stunzabad Chak 135, village of South Punjab. Women in rural areas of Pakistan seeking to provide for themselves and their families are faced with many obstacles. Among these are illiteracy and a lack of education. Poverty and injustice are often the result. We hope to aid these women by providing a nurturing Christian environment where they can have access to health care, gain skills and knowledge, and pursue advancement.

God's Little Angels Feeding Program:

Supported by our compassionate donors, we have established a regular feeding program for poor children. These children are provided regular meals in their orphan homes and during worship meetings. They are also being looked after in case of health emergencies. GLA reaches out to help everyone in need without discrimination.

Life Changing testimonies by children:

God is doing amazing things in the lives of our kids. They have shared their testimonies, such as Marriam from Pasrur shared that this worship opened her heart to God's Words. She is blessed by reading Bible. She feels great by having her personal Bible. She wants to show love to others by sharing Gospel to her siblings and friends.

Farah shared, it was a thoughtful, loving-kindness message. The think about this message reads, how can we show love of God to others through our deeds. She said, I bear testimony that Jesus Christ is the son of God and he was crucified for our sins and raised from the dead on third day. We are saved and blessed.
